

STUDENT RIGHT-TO-KNOW DISCLOSURE

COMPLETION AND GRADUATION

AMERICAN CAREER COLLEGE must annually report its completion or graduation rates through the IPEDS (*Integrated Postsecondary Education Data System*) web site. The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. Graduation rates can be measured over different lengths of time. "Normal time" is the typical amount of time it takes full-time students to complete their program. The rate shown below tracks the progress of students who began their studies as full-time, first-time degree - or certificate - seeking students at American Career College to determine if they completed a degree or other award, such as a certificate, within 150% of "normal time."

The annual rates are available July 1st each year.
