PLEASE PRINT CLEARLY

AMERICAN CAREER COLLEGE must annually report its completion or graduation rates through the IPEDS (Integrated Postsecondary Education Data System) website. The overall graduation rate is also known as the “Student Right-to-Know” or IPEDS graduation rate. Graduation rates can be measured over different lengths of time. “Normal time” is the typical amount of time it takes full-time students to complete their program. The rate shown below tracks the progress of students who began their studies as full-time, first-time degree – or certificate - seeking students at American Career College Lynwood (formerly known as St. Francis Career College) to determine if they completed a degree or other award, such as a certificate, within 150% of “normal time.”

The annual rates are available July 1st each year.

AMERICAN CAREER COLLEGE

Graduation Rates*

AMERICAN CAREER COLLEGE - LYNWOOD	76%
-----------------------------------	-----

*Percentage of Full-time, First-time Students Who Began Their Studies in 2013-14 and Graduated Within 150% of “Normal Time” to Completion for Their Program.

This information may be requested from your school admissions department or by reviewing the American Career College IPEDS site maintained by the National Center for Education Statistics at:
