I am requesting that I be considered independent when determining my eligibility for financial aid.

My reasons for this request are detailed below:

A large, faint watermark of the American Career College logo is centered on the page. The logo is circular and contains the text 'AMERICAN CAREER COLLEGE' around the top and 'EST. 1978' at the bottom. The central emblem is divided into four quadrants: top-left shows an eye, top-right shows an open book, bottom-left shows a torch, and bottom-right shows a leaf.
