STUDENT'S RIGHT TO CANCEL

New students have the right to cancel the enrollment agreement including any equipment purchased directly from ACC such as books, materials, and supplies or any other goods related to the instruction offered in the enrollment agreement, if notice of cancellation is made within seven (7) calendar days (excluding holidays) of enrollment or by the seventh (7th) calendar day following the scheduled program start date, whichever is later. Books purchased from ACC must be returned to the school in "like new" condition within the cancellation period, or students will be liable for the full cost. Students who remain enrolled beyond day 8 will be charged tuition and fees retroactive to day 1 of the program.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the enrollment agreement. The College may administratively cancel a student if they are unresponsive after the first week and fail to attend classes in the second week.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for books and equipment not returned in a timely manner in "like new" condition.

STUDENT'S RIGHT TO CANCEL

New students have the right to cancel the enrollment agreement including any equipment purchased directly from ACC such as books, materials, and supplies or any other goods related to the instruction offered in the enrollment agreement, if notice of cancellation is made within seven (7) calendar days (excluding holidays) of enrollment or by the seventh (7th) calendar day following the scheduled program start date, whichever is later. Books purchased from ACC must be returned to the school in "like new" condition within the cancellation period, or students will be liable for the full cost. Students who remain enrolled beyond day 8 will be charged tuition and fees retroactive to day 1 of the program.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the enrollment agreement. The College may administratively cancel a student if they are unresponsive after the first week and fail to attend classes in the second week.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for books and equipment not returned in a timely manner in "like new" condition.

STUDENT'S RIGHT TO CANCEL

New students have the right to cancel the enrollment agreement including any equipment purchased directly from ACC such as books, materials, and supplies or any other goods related to the instruction offered in the enrollment agreement, if notice of cancellation is made within seven (7) calendar days (excluding holidays) of enrollment or by the seventh (7th) calendar day following the scheduled program start date, whichever is later. Books purchased from ACC must be returned to the school in "like new" condition within the cancellation period, or students will be liable for the full cost. Students who remain enrolled beyond day 8 will be charged tuition and fees retroactive to day 1 of the program.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the enrollment agreement. The College may administratively cancel a student if they are unresponsive after the first week and fail to attend classes in the second week.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for books and equipment not returned in a timely manner in "like new" condition.
